Washington, D.C.

Dear Sir:

I am enrolled in a course entitled "History of Education" at Brooklyn College for which a term paper is required.

In view of your recent experience in the U.S.S.R., I was wondering if you can suggest sources of information to help me write a paper on "Adult Education In The Soviet Union". If there is little or no information available, perhaps you can arrange an interview.

Thankyou for your kind attention.

Very truly yours,

Dear Sir:

Miss Mildred Paul in a course entitled "History of Education" at 1649 - 53rd Street for which a term paper is required, Brooklyn 4, New York recent experience in the U.S.S.R., I was wondering if you can suggest sources of information to help me write "Adult Education in The Soviet Union". If there is little or no information available, perhaps you can arrange an interview. General Smith has asked me to acknowledge your letter of October 25th in which you request this advice and assistance in obtaining source material for your term paper on "Adult Education in The Soviet Union."

Very truly yours,

Unfortunately, most of the information available to General Smith here in the Central Intelligence Agency comes from classified sources and could not be used in your term paper. I suggest, however, that you try the New York City Public Library; Mr. Frederick Reinhardt, Office of Eastern European Affairs, State Department; Mr. Richard T. Burgi, Director of The Institute of Contemporary Russian Studies at Fordham University; or Professor Ernest J. Simmons, Department of Slavic Languages at Columbia University.

There is some information on this subject in Chapter 13 of General Smith's book, "My Three Years in Moscow" which might be helpful.

Sincerely,

SIGNED
